January Mission of the Month

CHI St. Joseph's Health Hospice Care

Hospice provides care to promote comfort, dignity, and quality of life on the end-of-life journey. Patients and their loved ones decide what care and help best suits their needs. Hospice care is available for patients at their place of care, whether it is their home, a care center or with their loved ones. Hospice recognizes and responds to the needs of surviving loved ones through bereavement support.

*If you wish to donate,
