## *April Mission of the Month*

### *Jack Pine Stables*

About Jack Pine Stables: Jack Pine Stables, a 501c-3 nonprofit organization, was established as a therapeutic horse program for people with special needs in 2000. The program is certified through the Professional Association of Therapeutic Horsemanship, International, the largest and most reputable accrediting organization worldwide.

From humble beginnings, the program has consistently grown, with only four initial riders to the 45-55 riders we currently serve each summer. The riders we serve are between the ages of 4-75 and have physical, mental, and/or emotional challenges including high risk individuals.

What is Therapeutic Horsemanship? Students learn to care for, groom and tack "their" horse according to their individual abilities. This requires the use of both small and large motor skills. Riders work to develop understanding the nature of horses and knowing the importance of being calm and "in the moment". The physical benefits to therapeutic riding include balance, core strength, muscle tone and coordination, but most importantly, the self esteem and confidence they gain from their accomplishments and relationships with these gentle giants is immeasurable.

The chairs and the list of items to donate are in the narthex.

If you'd like to donate monetarily, write your check to FLC with JackPS on the memo line.
