June Mission of the Month
Living at Home

Living at Home of the Park Rapids Area offers a number of services to help area seniors live comfortably in the home of their choice, such as transportation to medical appointments, grocery shopping and limited light housekeeping. We also provide respite care, which allows a family caregiver a much deserved break while a trustworthy person stays with their loved one and caregiver coaching. A majority of these services are provided by volunteers who give generously of their time and talents. Our staff facilitates a monthly caregiver support group to help caregivers manage their responsibilities and offer support.

If you'd like to donate, please make your check to FLC with LAH on the memo line.
