April Mission of the Month

Mission Statement

Striving to empower individuals with physical, mental, and emotional disabilities and limitations through safe, fun Equine Assisted Services.

Jack Pine Stables, a 501(c)(3) nonprofit organization, was established in 2000 as a therapeutic horse riding program for people with special needs. The program is certified through the Professional Association of Therapeutic Horsemanship International (PATH), the largest and most reputable accrediting organization worldwide.

The nature of our program is to provide weekly one-hour, supported riding lessons and experiences with tending to horses: grooming and tacking the horse, and riding based on each person's ability. In addition to lessons, 25-30 of Jack Pine's participants compete in the Area 5 Special Olympics competition and all participants showcase their accomplishments to family and friends at the end of the season show.

Because of the special needs of our participants, we provide riding assistance to those we serve — at lessons, competition, and in the showcase — sometimes accommodating them with as many as five assistants.

Jack Pine Stables is blessed with a solid group of volunteers, some of whom have been with us from the beginning. We also employ high school and college students, giving them the opportunity to become involved with horses and individuals with disabilities. One of our employees' "perks" is getting to ride the horses anytime they are not used for our riders to help keep our horses in good condition.

We have two chairs in the narthex which we will be "filling" for their fundraiser silent auction. If you wish to donate to the chairs, the sign-up sheet is on the table. If you wish to donate financially, please make your check to FLC with JPS on the memo line.
