October Mission of the Month

Lutheran Disaster Response – US Wildfires

Devastating wildfires across the estern US are threatening lives, homes, and entire communities. When wildfires force evacuations and leave devastation behind, your gifts to Lutheran Disaster Response help sustain relief and recovery ministries long after media attention fades.

As you know, Lutheran Disaster Response is present in moments like these not only at the outset of an emergency, but in the months and years that follow. We are listening closely to local leaders and walking alongside synods, congregations and trusted community partners who know their neighbors best. Together with these local partners, we are helping coordinate responses to immediate needs while also preparing for the long road ahead - debris removal, repair and rebuilding, disaster case management, and the on going emotional and spiritual care so many survivors need.

Gifts to Lutheran Disaster Response equip us to respond to this and other disasters, whenever and wherever they strike. Gifts designated for US Wildfires will be restricted to and used in full (100%) for those affected by disasters across the country.

If you wish to donate, make your check to FLC with Wildfires on the memo line.
